

Understanding your rates bill

General Rate Category*

Your land is categorised into one of 11 categories to determine your rates contribution.

Environment Levy

This levy is allocated to major initiatives, projects, grants, incentives and partnerships with environmental groups.

Economic Development Levy

This levy funds projects of economic development significance and contributes to projects and strategies that enhance the region's economy.

Garbage

This charge covers the general waste and recycling bin service provided by Council.

Sewerage Charge

This charge applies to properties that are connected to, or have the possibility of being connected to, the sewerage network system within defined sewered areas.

(* discount is applicable to General Rate only)

13/09/2018

Amount Due: if paid by 13/09/2018:

Reference Number:

Water Access Charge

This charge applies to properties that are connected to, or have the possibility of being connected to, the water network system within the defined reticulated water areas.

Water Consumption

This charge is a per kilolitre consumption charge for any property that has a water meter connected to it. Any amount over 250kL per financial year is charged at a higher rate.

Rural Fire Levy

This levy applies to all rateable properties not in an urban fire area, and the funds are allocated to our rural fire brigades.

Roads Infrastructure Charge

This charge contributes to the funding of maintenance, renewal and depreciation costs of Council's road infrastructure network in the region.

Emergency Management Levy

This is a State Government levy which contributes to funding emergency management and fire and rescue services. This also includes vehicle entrapment, flood rescue and search and rescues.
