

# We use the Check In Qld app

Download the Check In Queensland app from either the Google Play Store or the Apple App Store.

Register your details (you only need to do this the first time):

- Full name
- Phone number
- Email address

At our libraries, open the app, select Check In Now and hover your smartphone over the QR Code (you can add extra people if they do not have the app). When done, show library staff the successful check in screen.
