

Dog Registration Application / Amendment of Registration

How to use this form

It is a requirement of the *Animal Management (Cats and Dogs) Act 2008* ("the Act") for the owner of a dog more than 12 weeks old to register the dog in the relevant local government's area within 14 days after starting to keep the dog in the area unless the person has a reasonable excuse.

This registration form may be used to register up to 2 dogs with Gympie Regional Council or to amend any information stated on a registration notice for a dog.

Registration period

Gympie Regional Council's dog registration period is 1 November 2024 to 31 October 2025. Council will issue a renewal notice to the owner of a registered dog at least 14 prior to the expiry date. Registration fees for dogs have been determined by Gympie Regional Council. Pro rata registration fees (applicable to entire dog registrations only) may apply depending upon when the dog is registered. A full list of fees and charges are available by visiting Council's website www.gympie.qld.gov.au.

How many dogs can be kept on a property?

An approval is required to keep more than 2 dogs over the age of 12 weeks on any property, except where any additional dog is a working dog. An approval is required to keep 1 or more dogs over the age of 12 weeks on any property that contains multiple residential units.

If you wish to apply for approval to keep more than these numbers of dogs, you will also need to complete form HEF604 – Keeping or more than the prescribed number of animals – Application for approval/renewal.

Council issued registration tags

All dogs must wear their Gympie Regional Council registration tag at all times. This is important and allows for Council to reunite impounded dogs more quickly with their owners. If your dog requires a replacement tag, please contact Council (No charge applies). Private identification tags may also be attached to the dog's collar.

Microchip details

The Act requires that a person who is or becomes the owner of a cat or dog that is not implanted with a prescribed permanent identification device (microchip) must ensure that the cat or dog is implanted with a device before it is 12 weeks old unless the person has a reasonable excuse. The implanting of a microchip is important and can facilitate the reuniting of a dog with its owner more quickly in the event that the dog happens to escape or is removed from the property.

Working Dogs

The Act defines a working dog as a dog usually kept or proposed to be kept on rural land; and by an owner who is a primary producer, or a person engaged or employed by a primary producer; and primarily for the purpose of droving, protecting, tending, or working, stock; or being trained in droving, protecting, tending, or working, stock; and does not include a class of dog prescribed under a regulation. Evidence of a working dog is to be supplied prior to the dog being deemed a working dog.

How to lodge this form with Council

Once completed, this form along with the appropriate fee (as detailed below), can be lodged:

| In person at: | Gympie Town Hall 2 Caledonian Hill Gympie |
|---------------|--|
| OR | Community Sustainability |
| | 29 Channon Street Gympie |
| OR | -7 1 - |
| | Kilkivan Branch Office 26 Bligh Street Kilkivan |
| Mail: | Gympie Regional Council PO Box 155 GYMPIE QLD 4570 |

Yes

11. Declaration of Applicant

I declare that I have answered all questions truthfully and that all of the information I have provided is accurate. I acknowledge that it is an offence under section 204 of the Animal Management (Cats and Dogs) Act 2008 to provide false or misleading information.

Where a concession has been applied for, I authorise the Federal Government and its agencies to divulge to Gympie Regional Council so much of the information contained in my records as is necessary to determine eligibility for concessions for dog registration fees and for no other purpose.
