

STANDARD FOR DESKTOPS (HEADSTONES) LAWN SECTION GYMPIE REGIONAL COUNCIL CEMETERIES

Objective: To maintain uniform and consistent Desktops (Headstones) within the Lawn Section of the Gympie Regional Council Cemeteries.

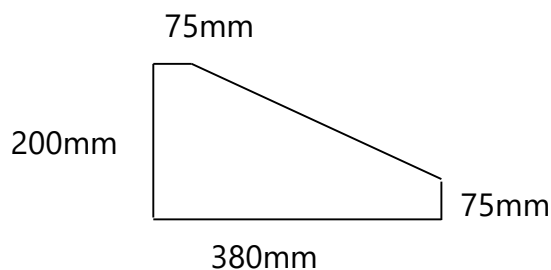

Policy: Desktops are to be installed on the concrete head strip provided in the Lawn Section of the Cemeteries. The Desktop is to be centred within the grave plot.

The Desktop consists of a granite, brass or similar memorial plaque fixed to the sloping concrete base.

The approximate dimensions of the Desktop base are:

Base area	610mm x 380mm
Height at rear	200mm
Height at front	75mm
Top section width at rear	75mm

Cross section view of desktop base.

An application for erection of the Desktop is to be submitted to Council on Form KBF221 (*Application for Approval for Alteration or Improvement to Local Government Controlled Areas and Roads (Local Government Cemeteries)*).
