

Monthly FLoW (Forward List of Works)

Roads and Drainage (Operational)

Please note that this program is subject to change due to external influences such as weather, emergency works, CRM's, plant and material availability.

Works scheduled for the coming month of:

March 2025

Grading – Unsealed Roads

Council are currently undertaking emergent works due to the Dec 24 rainfall event. All planned works are on hold while we ensure highlighted works are completed as a matter of urgency.

In addition to immediate restoration works, council have commenced our 2025 Resheet Program. In the upcoming months, we will be targeting specific regions, bringing longevity to our network. Drainage works to these roads are being programmed in conjunction.
