

# 1080 BAITING PROGRAM

## Are wild dogs or feral pigs impacting your property or business?

Council has a twice yearly 1080 baiting program for the control of wild dogs, foxes and feral pigs.

1080 baiting may be an option for management of these declared pests.

To find out more or to apply for one of the bait station locations listed below.

- contact Council on 1300 307 800 or
- scan the above QR code
