## Traffic management

During construction property accesses may be affected for short durations. The construction crew will endeavour to minimise disruptions.

Your patience during construction is appreciated. Traffic management measures will be in place to ensure the safety of pedestrians and motorists.

## Timing

Construction commenced in February 2023 on the Maudsley Street, Goomeri project and, current to February 2024, this project and the Cedar Pocket Road Bridge Approaches are complete.

Work is currently underway on the Moy Pocket Road Floodways and is targeted to be complete in early April 2024. The remaining listed projects will be rolled-out through the remainder of 2024, weather permitting.
